### **Our Mission**

Breaking the Silence is a non-profit organization dedicated to raising public awareness of child abuse realities and prevention techniques through survivor empowerment and community education.

### **Our Values**

One child hurt is too many.  
Child abuse is not a family matter, it's a crime.  
Child abuse is, therefore, everybody's problem.  
Child abuse is, far too often, an intergenerational cycle.  
Silence protects only the perpetrators, and preserves the cycle.  
Breaking the silence is the only way to break the cycle.  
We all can, and should, make a difference.

### **Our Vision**

The preservation of innocence.  
Safety, love, and nurturance for children.  
Justice for victims.  
Visibility for survivors.  
Accountability for perpetrators.  
Society committed to protecting its young.  
Elimination of child abuse.
